

# Virtual Professional Learning Offerings

**We're all in.** We understand that school, as we know it, has changed quickly, and we want you to know that we're here to help. We would love to work with you to create a comprehensive virtual professional learning plan that meets the specific needs of your school or district. We can include any of the offerings below or even create something custom just for you.

## **CUSTOM OFFERINGS FOR YOUR SCHOOL / DISTRICT**

Carnegie Learning Managers of School Partnerships can work with individual teachers or small groups. Depending on your professional learning goals, we can create a plan from the options listed below.

### **Virtual 1:1 Coaching/Consulting**

*Individual 1:1 conversations, up to 1 hour*

- 1:1 Virtual Learning Planning Conversations with Teachers
- 1:1 Doing the Math Conversations with Teachers
- 1:1 MATHia Data Review Conversations with Teachers
- 1:1 Assessment Design

### **Virtual PLC Facilitation**

*Group online meetings, limited to 12 participants, up to 2 hours*

- Group Virtual Learning Planning Conversations with Teachers
- Group Doing the Math Conversations with Teachers
- Group MATHia Data Review Conversations with Teachers

### **Custom Virtual Workshop Sessions**

*Online sessions, limited to 12 participants, up to 2 hours*

Carnegie Learning Managers of School Partnerships will partner with you to create unique virtual workshop sessions that are tailored to the specific needs of your teachers. We'll work together to achieve high-quality mathematics instruction in this new virtual world. Some examples of custom virtual workshop session topics include:

- Facilitation Tools for Engaging Virtual Learning
- The Standards for Mathematical Practice in a Virtual Learning World
- Using Carnegie Learning Resources to Facilitate Virtual Learning
- Getting the Most out of MATHia
- Getting the Most out of Edulastic
- Number Talk Routines
- Mini Math Academies (You choose the grade band and content strand)
  - Fraction Sense
  - Proportional Reasoning
  - Algebraic Thinking
  - Functions
  - and more

## Project-Based Services

We are available to provide expert support for:

- Virtual Lesson Plan Creation
- MATHia alignments and/or custom sequencing
- Curriculum Planning/Scope & Sequencing/Course Creating for 20–21 SY
  - Fall “Reentry” Planning
  - Summer School Planning
- Common Assessment Creation for 20–21 SY

## Dedicated Expert Office Hours

Office Hours provide the opportunity for teachers to receive support online from a Manager of School Partnerships via. Teachers can visit the virtual room during hours dedicated specifically to your school or district. Each teacher can choose to stay on the entire time or just come for a short time to ask a specific question.

## Dedicated Expert Live Tutors

Students and parents from your school or district will be able to meet virtually with a Carnegie Learning Manager of School Partnerships for math content and MATHia support as they learn from home.

(Specific times and dates determined by school or district).
